Thank you for the information. I will not try and correct your information on the Ellzey. Instead I will send you some correct information. First I will give you some information on myself. This way you will know where this information is coming from. I was born in Jones County, on the west side of Big Creek, about 3/4 of a mile north of the lower bridge. I served twenty years in the Marine Corps. After retiring, worked in a Bank in New York, retired moved to Biloxi, MS. After my wife's death moved here.

While I was living in Biloxi, I did some research in the L. W. Anderson Library. I was looking for connection of the Ellzeys of Mississippi to the ones in Maryland and Virginia. As far as I can find out they settled there in the late 1500's or early 1600. I came across some of your books in the MS. section there. I wrote some of your sources that was listed in the book to find out where they got their information. Got a runaround from two of them and gave up. Now I will give you some information that you can use to bring yours up to date.

Ellzey, Berry (Cop/Co) -1775 1820 census. Berry Ellzey was listed in the SC. census of 1800, On Mar. 5, 1813 he applied for a passport to travel West. He listed Camden Co., Ga. as his address, at that time he had five children. In the Perry County census of 1820 there was still five children. Berry's wife was named Maria Ann, in her will in 1844 she listed William, Sarah Ann and Elizabeth all of Copiah Co. James Ellzey of Pontotoc Co.

Ellzey, Lewis this one was listed in the 1800 census of SC. Lewis arrived in MS. around 1817 settled in Pike County. his family is listed in the Pike County history book.

Ellzey, Evan SC1786 Mary SC1787
There was no Evan Ellzey listed in the 1800 census of SC. At this time unable to confirm this one.

NOW I HAVE A FEW QUESTIONS THAT I WOULD ^{LIKE} TO ASK ?

The Knights has compiled a couple of books on the Knights in this are. One of them seems to think that yor and Pat Edwards was the daughters of one of the Wyatt Davis Knight. This is more hand me down information. Not worth the time to check out.

I have some hand me down information on a George Baylis born around 1794 in Charleston, SC. Raised in Orangeburg, Distric, SC. . It has been stated that he married an Ellzey. George Baylis lived on Lead River below Heborn. Off Hwy 84 about five miles south of there on the east side of the river.

I hope you will be able to use some of this information. If you are ever in this area give me a call.

Sincerely

Woodrow

P.S. Most of this information was taken from family Bibles, marriage records. Head stones in the Cemeteries.

Dear Pat,

Sorry to take so long to reply to your correspondence. There was 2 notes and possibly a card with no address but with some postmark & signed Pat so I hope it was yours also. I have been on vacation.

The David Morgan in Jasper Co. Ms. is not mine and I have no more information than you do. My David Morgan was in Pike Co. Ms and died 1836. As to the Ellzey's. I too have run across the ones you listed but they are not my line.

My Ellzey line is as follows - Thomas Ellzey of Va. - father of Lewis ^{Capt.} Ellzey Va. - Lewis father of William Va. William father of Lewis Ellzey left Va Ca ¹⁷⁹⁵ ~~1800~~ into D.C. and on into Pike Co. Ms. His 3rd son Thomas Ellzey m. Mary Quin 7 April 1825 in Pike Co. Ms. Thomas died 1847 - Thomas & Mary Quin Ellzey were the parents of my great grandmother Harriet Ellzey Coney w/o Morgan J. Coney - lived & died Pike Co.

I am a descendant of many families that were early settlers of Amite & Pike Cos. - WELLS, ANDREWS, MORGAN, QUIN, STANDARD, CONEY, ELLZEY, SIMMONS, CHANDLER.

As for the Standard info that was asked for on the card that I hope was yours.

Dean testifies about Ehrlichman

From page 1

The ousted White House counsel replied to the administration counterattack with a new offensive of his own before the Senate Watergate committee Wednesday.

He produced what he said was the official White House black list of the President's enemies in Congress and in politics, business, labor, journalism, the universities and the theater.

And Dean supplied the committee with copies of White House memos that indicated preparations were being made two years ago to "use the available federal machinery to screw our political enemies."

Meanwhile, in a surprise move, Frederick C. LaRue, a former Nixon campaign aide and White House consultant, was permitted to plead guilty in U.S. District Court to a single conspiracy charge in exchange for his promise to testify against others involved in the Watergate scandal. In return, prosecutors had agreed not to press any other charges against him.

Dean is to return to the Senate witness stand for a fourth day today to undergo a cross-examination, based on a series

of questions written by White House special counsel J. Fred Buzhardt.

In San Clemente, Calif., a White House spokesman again refused to predict the President might comment on Dean's testimony. Deputy Press Secretary Gerald L. Warren said Nixon did not want to respond "in a fragmentary way" and that comments "while the hearings are in progress would not be beneficial to the committee."

The White House questions will be put to Dean by Democratic Sen. Daniel K. Inouye of Hawaii.

Cloudy skies, rain remain in forecast

Pas-Point skies will continue to be partly cloudy through today with chances of rain through Friday.

Temperatures tonight will be in the 70s with highs Friday in the 90s.

The Coast Guard reports a 91-78 temperature reading for Wednesday.

Winds will be southwest to west six to 12 miles per hour.

The record high for the area on June 27 was 100 in 1952. The low was 67 in 1961.

ordinances were scheduled for introduction today in the City Council. City Atty. Blake G. Arata, who Wednesday announced a crackdown on dirty movies and books, said the proposed ordinances would be in line with last week's U.S. Supreme Court decision on pornography.

Arata also asked Civil District Court for authority to close three movie houses and three bookstores.

"This is the abatement of a public nuisance," he said. "They have consistently sold or exhibited obscene material and obscenity is a nuisance."

State weather

Shower activity is preceding a weak cold front which is drifting slowly southward into Mississippi today.

Temperatures again reached into the 90s across the state Wednesday, and lows early today were mostly in the 70s. Highs today will return to the 90s.

Shower activity increased over the extreme northern portion Wednesday and spread slowly southward into north-central Mississippi during the night.

The shower activity preceding the weak cold front and most of the activity today will be restricted to the north half of the state.

Little change in temperature is indicated through Friday.

A check of weather conditions at 7 a.m. showed Jackson with 79 degrees and cloudy skies, Meridian 74 and partly cloudy, McComb 71 and foggy, Columbus 75 and partly cloudy, and Biloxi 78 and fair.

Winds on inland lakes will be southwest to west 6 to 12 miles per hour.
